RE: CC Docket No. 96-45; Colorado's Certification of Rural Incumbent Local Exchange Carriers pursuant to 47 C.F.R § 54.314; Universal Service Support for High-Cost Areas.

Dear Ms. Dortch:

On May 10, 2001, the Federal Communications Commission (FCC) adopted the Fourteenth Report and Order, Twenty Second Order on reconsideration, and further notice of proposed rulemaking in CC Docket No. 96-45, FCC 01-157, in which the FCC requires state commissions to certify annually that all rural incumbent local exchange carriers that receive federal high-cost support within the state will use such support only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.

Pursuant to § 54.314(a), the Colorado Public Utilities Commission, on September 19, 2002, has certified **South Park Telephone Company** (SAC # 462195) as a rural incumbent local exchange carrier. This company has attested to the fact that it has used the federal high-cost support for the intended purposes.

Questions regarding the annual certification of this company should be directed to Mr. Bruce Smith, Director of the Colorado Public Utilities Commission, or alternatively Geri Santos-Rach, Chief of Fixed Utilities, at (303) 894-2533.

Very truly yours,

Raymond L. Gifford
Chairman

Polly Page
Commissioner

Jim Dyer
Commissioner
